Account groups are local non-profit organizations without VALCORE Board representation. Account groups encourage their supporters to bring CA redemption value drink containers to VALCORE for recycling and to donate the cash refund value to their organization. VALCORE will maintain a total of all monies donated to individual account groups. Account groups **will be paid quarterly**.

Account groups earn money when their supporters bring their CA REDEMPTION VALUE (CRV) glass, plastic, and metal beverage containers to VALCORE during redemption hours (Mon-Fri., 8 AM–3 PM. Closed for lunch from 11 AM to 12 PM). Their separated CRV containers are then tallied and the total refund value will be credited to your account. Each contributor will need to sign our log for his/her donation.

Account groups may request VALCORE brochures to share with their members. They should encourage their supporters to also donate other recyclable materials to VALCORE. Check our website www.VALCORErecycling.org for a complete list of what we accept for recycling. Our website also lists our current prices, hours of operation and location.

Account groups may petition the board to become a member group. Member groups share in the profits of all donated materials; they also share in the responsibilities of managing the recycling center. Member groups provide board members, work on various committees and special projects, and work at the center and/or offsite at events.

This contract must be renewed **by November 30** of each year. VALCORE Board of Directors has the right to modify or cancel this agreement with a 30-day notice. **No funds may be accrued or paid if there is not a current contract on file.**
